For more information, visit: <https://confer.maich.gr/events/upcoming/>

189th EAAE SEMINAR 'EU enlargement by (post)-war Ukraine: Implications for the Agri-Food Markets', 18-19 September, 2024, Warsaw

The Thünen Institute of Market Analysis organises the seminar at the Warsaw University of Life Sciences -SGGW, Poland. For more information, visit: <https://www.eaae189.org/>

190th EAAE seminar on 'Financing Sustainable and Resilient Transitions in Agri & Food Systems', 13-14 November 2024, Wageningen, the Netherlands

Finance and insurance have a major role to play enabling the transition to a sustainable and resilient economy by making strategic decisions on the trade-offs between sustainability and resilience goals. The objective of the seminar is to offer a platform for discussion between scientists and practitioners on the role of (risk) finance in the transition towards more sustainable and resilient agri & food systems. For more information, visit: <https://event.wur.nl/eaae190financingsustainabletransitions>

The XVIII Congress of the EAAE will take place in Bonn from August 26th to 28th, 2025.

This congress will also commemorate the 50th anniversary of the EAAE. The EAAE Board, the Local Organizing Committee, and the Anniversary Committee look forward to welcoming you to Bonn. More information will follow as soon as possible.

32nd International Conference of Agricultural Economists (ICAE 2024) 2024, 2-7 August New Delhi, India

The International Association of Agricultural Economists (IAAE) will hold its next triennial conference, the 32nd International Conference of Agricultural Economists (ICAE 2024), from 2-7 August 2024 in New Delhi, India, on the overall theme “Transformation Towards Sustainable Agri-Food Systems”. ICAE 2024 will feature invited and contributed papers and sessions on topics such as healthy and sustainable diets, technological and institutional innovations, agroecology, gender roles and social equity in agri-food systems, environmental and social externalities of value chains, the true cost of food, development of a sustainable bioeconomy, and novel approaches and methods in agri-food systems research and policy analysis, among others.

Many top-notch speakers from all parts of the world have already confirmed their participation. Details can be found on the ICAE 2024 website at: <https://icae2024.in/home/>. IAAE will support qualifying junior scholars from the Global South with accepted academic contributions through travel stipends to be allocated on a competitive basis.

NOeG 2024 Transition to a Low Carbon Economy Congress, 2-3 September, Vienna, Austria

For more information, visit:

<https://boku.ac.at/en/wiso/inwe/annual-meeting-of-the-austrian-economic-association-noeg-2024>

11th Int. Conf. ICT in Agriculture Food and Environment, October 17-20, Samos, Greece

For more information, visit: <https://2024.haicta.gr/>

International Research Symposium on Agricultural Greenhouse Gas Mitigation: From Research to Implementation, October 21-23, 2024, Berlin, Germany

The event, hosted by the German Federal Ministry of Food and Agriculture ([BMEL](#)), will foster international exchange on the implementation of climate mitigation measures and low-emission development strategies in agriculture and food systems, set new priorities and ideas for research cooperation and give new impetus to existing and emerging network activities. It is co-organised by [GRA](#) (Global Research Alliance on Agricultural Greenhouse Gases), [CGIAR](#) (Consultative Group on International Agricultural Research) and the German Federal Research Institute [Thuenen](#).
Deadline for abstract submission: 15th April 2024. For more information visit: www.agrighg-2024.de

ERAЕ information

The European Review of Agricultural Economics now accepts review articles, and the ERAE Editors welcome proposals for review articles from EAAE members. Review articles should provide a comprehensive and scholarly account of a topic that has direct relevance to agricultural economics (methodological or applied) and that has not recently been covered in the literature. A pre-submission enquiry is required. If you are interested in writing a review article for ERAE, please send an abstract, outline, and key references to erae.editorialoffice@oup.com

New editor ERAE

The board of the EAAEP Foundation, our publication committee, appointed Alessandro Olper (University of Milano) as a new editor of the European Review of Agricultural Economics. From September 1, 2024 he will replace Salvatore Di Falco, who served the journal very well since September 2018.

Q Open information

Open access journal Q Open is making progress:

- We have been informed by Scopus that they have accepted Q Open for indexing. This is an important first step in being included in the major indexes and achieving an impact factor.
- We have a new manuscript transfer arrangement with the ERAE. Manuscripts submitted to the ERAE, but considered a better fit with the objectives of Q Open can now be transferred directly for consideration for publication.
- Q Open is also well on track to reach key-performance indicators on growth in the number of manuscripts and in the turn-around time for review.

See our website for submission details: <https://academic.oup.com/qopen>

Vacancies

[PhD student](#)

At: INRAE, France. Closing date 30 April 2024

[Researcher](#)

At : Agroscope, Switzerland. Closing date 18 April 2024

Members information

EAAE members can access their registration card through the EAAE login on the homepage of the EAAE using their email address and personal password. You can login [here](#). If you forget your password, you can retrieve or modify it. Upon login, you will also find the link for free access of EuroChoices online!

As a member, you can post [vacancies](#) and [non-EAAE events](#) on our website. Simply [login](#), go to 'Post events (congress, seminars, courses, PhD activities) and Jobs', select 'New', and your information will be visible on the website after the approval of the secretariat.
