ERAE Review Articles

In addition to research articles, the journal also publishes review articles. Review articles should provide a comprehensive and scholarly account of a topic that has direct relevance to agricultural economics (methodological or applied) and that has not recently been covered in the literature. Normally these are authored by individuals who have themselves made a significant contribution to the topic under review and/or are acknowledged authorities in the field. A pre-submission enquiry to is required for review articles. An abstract, outline and key references should be emailed to erae.editorialoffice@theeditorialhub.com. Review article submissions undergo the normal review process.

EAAE Members information**Change to two-year membership period.**

The EAAE Board decided in its November meeting to establish a two-year membership period. On 1 January 2025 we started with the new structure, the membership fee will be €100 for two years, compared to the earlier €150 for three years. This change aims to align the membership period with the newly adopted two-year conference cycle.

In case you wish to renew your membership, please feel welcome to do so via the [website](#).
